Special Notes: Madison Cup

The Madison Cup will be scored as an "overall" event. Both Madison races count towards the overall and any laps gained or lost in either race count towards the final standings. In addition, the Pro-Am One Mile and 15 Lap race will count towards team points but laps can not be gained or lost. The 1st rider from each team will be counted and the top 5 "teams" will score points 7-5-3-2-1 respectively.
